7. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

8. The regulation at 19 CFR 353.55 covering the reimbursement of antidumping duties was in effect during the period covered by these instructions (06/30/1987 through 12/31/1988). The importer was required to file the reimbursement certificate within 30 days after the earlier of (1) publication of the order or any administrative review thereof pursuant to 19 CFR 353.53 or, if appropriate, 19 CFR 353.49, or (2) importation of the merchandise in a district in which not previously imported. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
